

# SUMMER ACADEMY HOUSING

## WELCOME

Summer Academy (July 7-August 17, 2019) is a special opportunity for first-year students to jump-start their academic experience by earning six hours of course credit through a track program.

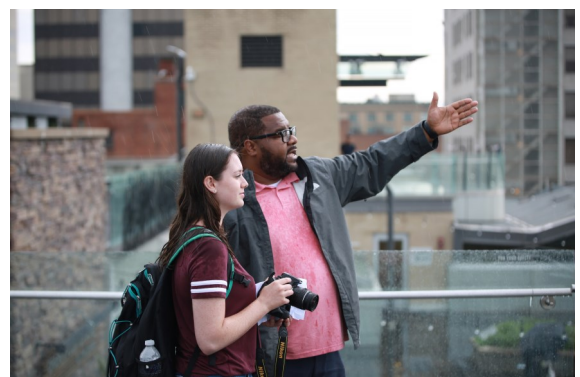

The residence halls expected to be used for Summer Academy are **New Residence Hall East** or **Payne Hall** (AC, double occupancy only). All summer buildings will be co-ed. Any student assigned to a double-occupancy room may request a specific roommate; otherwise, they will be assigned a roommate by the staff. All on-campus students are required to purchase either the Summer Flex or 19 meals-per-week dining plan. If at some point you decide not to attend the Summer Academy, you must contact our office ([housing@vt.edu](mailto:housing@vt.edu)) in writing to nullify your contract by the first day of the pertinent summer session. If you don't notify us to cancel your contract, you will be charged for the on-campus space.
